NC Get Covered

POWERED BY THE BIG TENT COALITION

What is NC Get Covered?

NC Get Covered is a non-partisan initiative, powered by The Big Tent Coalition, committed to improving health outcomes in North Carolina through outreach, education and enrollment in the health insurance marketplace.

NC Get Covered serves as a statewide, go-to source of reliable information for various aspects of the Affordable Care Act (ACA):

- ACA Financial Help
- Health Insurance Basics
- Free In-Person Enrollment Assistance
- ACA Deadlines and Fines

Simply put, NC Get Covered can help you identify the **right coverage for your needs**.

Who is involved?

NC Get Covered consists of experts and concerned residents, known as The Big Tent Coalition, working together to ensure all North Carolinians have access to health care.

This includes community-based organizations, in-person assisters, non-profit organizations, health insurance carriers, agents and brokers, health care providers, hospitals, faith organizations, community health centers and more.

When can I access NC Get Covered?

NC Get Covered is here for North Carolinians, helping you navigate the open enrollment process - from beginning to end (Nov. 15, 2014 – Feb. 15, 2015)

Where can I find NC Get Covered?

NC Get Covered has a presence throughout North Carolina through in-person assisters and local agents.

North Carolinians, including Spanish-speaking residents, can call **(855) 733-3711** to schedule a meeting with an in-person assister in their county. This is a toll-free number dedicated to helping North Carolinians find local assistance in enrolling for health insurance.

North Carolinians have access to health information and insurance right at their fingertips at NCGetCovered.org.

How can I access NC Get Covered?

- (855) 733-3711
- ACA Educational Events throughout North Carolina

Why should I care?

As of Feb. 1, 2014, 91 percent of North Carolinians who enrolled in health insurance received financial assistance. Of those, the average premium was $81/month, which is less than the average cable bill.

Get covered – Preventive care empowers you to take control of your health and lower your health care costs.

Stay covered – Make sure your information is updated to ensure that you're getting the right coverage at the best price possible and understand how to best use your health insurance.

NCGetCovered.org helps you find the right coverage that fits your needs and budget.
